## New Equipment

We have purchased 7 new shelving units for the centre. If anyone has any need for the older units (casters will be removed) please let Mandy know or we will be tossing them in the garbage. We have also purchased new area rungs to give the centre a warmer feeling. Tell us what you think!

## Summer Camp Update

The staff at After The Bell have been working hard on our summer camp. The program will be posted on line very soon. Currently we are full. If you would like to sublet your spot please speak to Mandy ASAP to see if she can find you a family to sublet your space.

We are FULL with an EXTENSIVE waiting list for the 2015-2016 school year so families who withdraw without a family who will sublet their spot for the summer WILL lose their space with us.
